Task 8

Hi, Ben,
Thank you for the email, I'm very glad when I receive emails from you. In my town there is one small zoo in a supermarket "Armada" and it is really cool. I visit it about twice a month and every time I see new animals. My favourite ones are parrots. They are so cute and funny. I call parrots "recorders" because they can remember a phrase and repeat it. I would feed these wonderful animals, if I could but it is prohibited. Are there parrots at the zoo you have visited? Can you tell something more about this place?
Best wishes,
Nikita
